THE WORLD'S MOST POPULAR BOARD GAME!

In 1934, Charles B. Darrow presented a monopoly-like game to the people at Parker Brothers. The game was based on original designs by Elizabeth Magie. That was just the beginning. Today, Monopoly® is popular in 103 countries and it is produced in 37 languages. There are even online Monopoly® games. Everybody loves playing this board game everywhere around the world.

Do you think you know everything about Monopoly? Here are some amazing facts:

- The name of the Monopoly® man is Mr. Monopoly.
- In its first year, 1935, the Monopoly® game was the best-selling game in the U.S.
- In the 1970s a Braille edition also came out.
- They made a Monopoly® game with gold houses and silver hotels and sold it for \$25,000.
- The longest monopoly game ever lasted for 70 days.
